FORTY-SEVENTH

ANNUAL REPORT

OF

ST. LUKE'S HOSPITAL

FROM OCTOBER 1, 1908
TO SEPTEMBER 30, 1909

1431-1447 MICHIGAN AVENUE AND 1416-1436 INDIANA AVE.
CHICAGO

VISITOR.

The Right Rev. Charles P. Anderson, D. D.

OFFICERS:

President, William J. Bryson, 203 Michigan Ave.

First Vice-President, John A. Spoor.

Second Vice-President, Edward L. Ryerson.

Secretary, Chauncey B. Borland, Borland Building.

Assistant Secretary, Walter B. Smith, 225 La Salle St.

Treasurer, Arthur Heurtley, The Northern Trust Co. Bldg.

Resident Secretary and Superintendent, Louis R. Curtis.

BOARD OF TRUSTEES.

TERM EXPIRES 1910.

Charles Norman Fay.

Frederick T. Haskell.

Samuel Insull.

David B. Lyman.

Edward L. Ryerson.

Rev. James S. Stone, D. D.

Chauncey B. Borland.

TERM EXPIRES 1911.

Chauncey J. Blair.

W. G. Hibbard, Jr.

George E. Merryweather.

John E. Owens, M. D.

John A. Spoor.

Walter B. Smith.

Andrew R. Sheriff.

TERM EXPIRES 1912.

John Crerar.

W. J. Bryson.

Rev. Herman Page.

Rev. William O. Waters.

Frederick T. West.

Wm. S. Mason.

Mark S. Willing.

COMMITTEES

**For
1909 and 1910.**

EXECUTIVE.

The President of the Hospital,
Ex-Officio,
John E. Owens, M. D.,
Frederick T. Haskell,
Chauncey B. Borland,
David B. Lyman.

FINANCE AND TRUST FUNDS.

The President of the Hospital,
Ex-Officio,
George Merryweather,
Frederick T. Haskell,
John A. Spoor,
Edward L. Ryerson.

TRAINING SCHOOL.

The President of the Hospital,
Ex-Officio,
Frederick T. West,
Rev. James S. Stone, D. D.,
William G. Hibbard, Jr.,
Rev. Herman Page, D. D.

BUILDINGS, IMPROVE- MENTS AND REPAIRS.

The President of the Hospital,
Ex-Officio,
Charles Norman Fay,
John E. Owens, M. D.,

FORTY-SIXTH ANNUAL REPORT OF THE PRESIDENT OF THE ST. LUKE'S HOSPITAL.

The President herewith presents his report for the year ending September 30, 1909.

It is with a deep sense of sorrow and loss that we chronicle the death of one of our number, Mr. Frederick S. Winston.

The most notable event of the year is the completion and opening of the George Smith Memorial.

Dedicatory services were held on October 18th and receptions were given by the members of this Board, the Woman's Board and the Medical Board. On October the twenty-third the building was opened for patients. It was found that many radical changes were necessary in our methods of operation but matters were soon adjusted and the routine work now runs along smoothly and we believe to the satisfaction of both the patients and the doctors.

Owing to the lack of funds, it had been decided to allow the fifth floor to remain unfinished, but the demand for rooms seemed to warrant the completion of this floor, and during the winter it was finished to correspond in all respects with the other portions of the buildings.

The Building as a whole is a success in producing acceptable hospital conditions within the building, notwithstanding the very unfavorable surroundings, and very few changes have been found necessary or desirable.

I regret very much the prevalent belief that the accommodations in the George Smith Memorial are very expensive when the truth is that our rates are as low as for similar accommodations any where in the City and are easily within the reach of any one who does

not wish to participate in the charity of the institution.

No effort is made to make any large increase in rates by charging for extras. Really necessary extras are very few.

The Training School for Nurses continues under the same capable head as for years past and but few changes have been made in the corps of assistants and instructresses. The plans now provide for one hundred and ten pupils, but the constantly increasing demands of the Hospital will make a further increase necessary during the next year.

The Training School building has been improved by the addition of new bath rooms, lavatories in each bed room, the extension of the cold drink water system from the new building at all floors, and new tile floors in the class rooms. The library, reception rooms, halls and most of the bed rooms were newly furnished and the entire building was re-decorated. The present aspect of the building shows a marked improvement.

Various changes and improvements in the Training School building and the Indiana Avenue buildings have been made during the year in order to better adapt them to the changed conditions of the work. The capacity of the main kitchen has been more than doubled by the erection of a new building covering the space formerly given over to a court between the old kitchen and the laundry building.

New equipment has been added and this department is now on the same footing as the other departments and is amply able to care for the full capacity of the Hospital.

The floors 4-K and 5-K, formerly devoted to private rooms have been re-arranged, newly furnished and fitted for use as small wards. A wall along the southern boundary of the south court is an improvement and makes the court, which has been provided with a large

awning, an excellent place for children and convalescents in pleasant weather.

We desire to express our grateful thanks to the Woman's Board, the Linen Committee, the Emergency Committee and the other Committees of the Board, also to all who have contributed to the funds for improvements and to operating expenses, and in particular to Mrs. W. G. Hibbard for her interest in the improvement of the main Kitchen, which was made possible through her very liberal donation.

Our thanks are due to Messrs. Price, Waterhouse & Co. for their continued generosity in making a gratuitous examination of the accounts of the Hospital.

For the efficient services rendered by the officers in the several departments and all persons employed under their direction, our acknowledgments are due.

The chief problem which confronts this Hospital as well as nearly all similar institutions, is that of the constantly increasing cost of operating and of the growing demands of modern medicine and equipment which are not accompanied by a corresponding increase in payment received for service or in charitable contributions. Until hospitals generally adjust themselves on the basis of the present cost of operation, this is likely to be a very troublesome question.

In the various detailed reports which follow, information may be found relative to the finances of the Hospital as well as to the details of the different departments.

WILLIAM J. BRYSON,
President.

SUPERINTENDENT'S REPORT.

To the Board of Trustees of St. Luke's Hospital:

I beg to present herewith my report for the year ending September 30, 1909.

The work of the Hospital has been somewhat complicated by the new conditions imposed by the George Smith Memorial. It has been necessary to make many changes but most of the problems have been solved and the expressions from the physicians and patients indicate that the service rendered is generally satisfactory.

The number of patients sent here by physicians not members of our Medical Board is large, and is in some measure an index to the esteem in which the Hospital is held by the Medical profession.

The opening of several new hospitals at about the same time brought about a condition which made it very difficult for all concerned in the matter, of finding patients to fill private rooms. Nevertheless, our patronage has been more than satisfactory and we may safely look forward to the time in the near future when the George Smith Memorial will fulfill it's object; that is, to provide income for the maintenance of the open wards.

Within the new building we have been able to overcome, in a large measure, all the objections such as noise and smoke incident to a location near the center of the City. The building has been the subject of much favorable comment, not only in this country but abroad.

A comparison of the figures with last year's rigorous work done may be of interest.

	THIS YEAR	LAST YEAR
Total number of pay patients treated,	4,620	3,104
Total number of free patients treated,	1,843	999
Total number of part pay patients treated,	133	116
Days free treatment,	23,037	18,625
Percentage of patients treated free,	40%	32%
Percentage of patient days free,	32%	34%

The Dispensary work, all of which is free, is not included above but there is an increase of 32% in the number of visits which now amount to 11,739.

In order to properly appreciate the charity work done, we should take into account the fact that none of the patients treated in the older buildings, pay the full cost of their care and treatment.

For several years past, no patients who were admissible under our rules have been refused admission because of their inability to pay. Various societies have been invited to send patients whom they know to be proper subjects for charity.

The physical condition of the property is good and the improvements made each year help to keep the Hospital in step with the progress of Hospital work.

Through the liberal aid of Trustees, the Woman's Board and it's Committees and the friends of the Hospital, various improvements were made.

Among them I may enumerate the erection of a much needed addition to the Kitchen, together with added equipment for the same.

Improvements in the Training School for Nurses consisting of lavatories in the sleeping rooms, new bath rooms, drinking fountains on all floors, tile floors in the class rooms, new furniture for nearly all rooms, a roof garden, rugs and rubber matting for halls and stairways, renovating of halls and decoration of the entire building.

Changes in 4 K and 5 K to adapt them for use as wards.

As in past years, we are greatly indebted to the Woman's Board and their Committees for assistance in the various departments of the Hospital.

The greatest problem which the management of Hospitals and similar institutions have to solve, is that of meeting the very large increase in the cost of practically everything which appears as an item in the expense of operation. Roughly speaking, the average increase has been something over 50 per cent during the past six years.

This rise in cost has been the result in the main of higher prices for labor and commodities of all kinds but is also in some measure due to the greater demands which are made in the name of modern medicine and surgery.

This increase has not been accompanied by a corresponding increase in charges to patients or in the charitable contributions as is shown by the following comparison of work done and contributions from various sources which are applicable to operating expenses.

A marked increase in the amount of work done is shown, while a decrease almost as marked is shown in the charitable contributions available to meet the cost.

	PAY	PART PAY	FREE
Persons admitted in 1900.....	1,084	306	470
Persons admitted in 1909.....	2,527	133	1,843
	<hr/>	<hr/>	<hr/>
Increase	1,443	173	1,373

	PAY	FREE
Patient days, 1900.....	24,373	13,931
Patient days, 1909.....	48,929	23,037
	<hr/>	<hr/>
Increase	24,556	9,106

CHARITABLE CONTRIBUTIONS 1900:

Churches	\$2,268.78	
Supported Beds	6,192.68	
Misc. Contributions to maintenance account..	2,209.00	
	<hr/>	\$10,670.46

CHARITABLE CONTRIBUTIONS 1909:

Churches	\$ 446.36	
Supported Beds	4,130.00	
Misc. Contributions to maintenance account..	1,466.91	
	<hr/>	\$ 6,153.27

The ward rate of the Hospital was formerly \$10 per week which was reduced to \$8 per week.

In the absence of the more substantial support from charitable contributions, the only remedy which appears to meet the condition is an increase in the charges to patients who are able to pay to a point when they will pay the full cost of any service which they may receive. The difficulty which stands in the way is, that Hospital charges generally are made with no intelligent regard to cost, and the generally accepted proposition that those who are able to do should pay the full cost, is entirely lost sight of.

Details of the work done may be found in the statistics and reports which follow.

Respectfully,

LOUIS R. CURTIS,
Superintendent.

Dispensary.

This department is conducted for the benefit of those who are able to come and go and are unable to pay for adequate private treatment. The service is free, except that those who can do so are expected to pay a nominal sum for the medicine which they carry away with them. When circumstances permit, patients whose condition requires indoor treatment, are admitted to the wards of the Hospital.

Free patients who require attention after their discharge from the wards are referred to the Dispensary.

The Dispensary is open for treatment of patients every day between nine A. M. and five P. M., except on Sundays and Holidays.

Probationers in school, Sept. 30th, 1909.....	21
Pupils on special duty, days.....	4,701
Graduates on special duty, days.....	2,381

This has certainly been a prosperous year for the Training School, thanks to the energy and generosity of the Board of Trustees, the Training School has been made very home like and beautiful:—All the sitting rooms, corridors and some of the bed rooms have been enameled, and the rest of the rooms re-decorated: Thirty rooms have been entirely furnished, with not only artistic, but substantial furniture, which will still be the pride of the classes to come. Having all this

new furniture enabled us to refit the other rooms which had old tables and chairs, etc.

The class room which has been an eyesore for some time, owing to the wood becoming warped, has had a composition mosaic floor put down. Almost all the rooms now have running water, and an extra bath room has been put on the three floors which needed it, the other floors got their extra bath room when Mr. and Mrs. Cyrus McCormick so generously gave us the fourth floor and remodeled the main floor two years ago. Drinking water fountains have been placed on every floor, the pipes for these fountains come from the main in the Smith Memorial, where the water is distilled and cooled, this is a joy to the nurses, who have so often suffered with thirst on hot nights when the tanks ran dry. The sitting rooms have been beautifully refurnished, and I would like especially to speak of the one on the Senior floor, which Mr. and Mrs. Bryson personally furnished for them, the pupils one and all were very much impressed by the time and thoughtfulness which was spent on that room, also the delightful housewarming that they had when Mr. and Mrs. Bryson gave the seniors a party, and surprised them by bringing some local talent to add to the entertainment. I omitted to mention that the room has a piano, which is not idle in the evening, I know that the nurses would like to propose too a vote of thanks to the Woman's Board, who very generously gave them a roof garden, this is not only so enjoyable, but very beneficial from a healthful point of view. It enables the nurses to get plenty of fresh air, with no exertion. For years we have wished for a new organ in the chapel, and this was given to us by Mrs. Henry Walker, and Mr. John Crerar, it was an unexpected gift which is a daily treat for the nurses.

In order to accommodate the increased number of pupils, we have been given two new apartments which

gives us room for one hundred and eight nurses and nine officers, this is not counting Mrs. Herchmer, who has been an inhabitant of the home for some years. The new apartments are very satisfactory, especially so as they are connected by a staircase, and the pupils come and go through the Smith Memorial, An Assistant rooms in each of the apartments, giving the new nurses personal supervision which is desirable. Thanks to the thoughtfulness of Mrs. Cochran the nurses living in the apartments have been given two extra bathrooms, one on each floor which has added greatly to the comfort of the preliminary class, we are also very grateful to Mrs. Cochran for six hundred yards of curtain material which filled a much needed want.

The crowding in the nurses dining room has been relieved since we have been given the room vacated by the officers when they moved into their new room.

The staff are entitled to thanks for the courtesy, and interest shown at all times, it is a great help to have them so interested in the work of the Training School, and so ready to advise and assist in the training of the nurses, it is to be hoped that they appreciate how much this co-operation means to the school in general, and to the officers in particular.

The pupils have had the regular course of classes and lectures, in Practical Work, Materia Medica, Practice of Medicine, Anatomy, Massage Hygiene, Surgery, Gynaecology, Urinalysis, and Dietetics. It is now three years since we started the Preliminary class and we can see what inestimable benefit it is to the nurses, and the school, having the nurses all taught the practical work, as well as the theory of nursing, at the same time, by the same instructresses, and giving the class a regular study hour means that the lessons are well prepared. We are trying as far as possible to have the majority of the theoretical

work in the day time, so that the nurses are not tired when they come to the class room, as they were when the classes were held in the evening.

The registry for graduate nurses has had a most successful year, we have rarely had a nurse registered over night, and it is with difficulty that the majority of the calls have been filled, many having to be refused with regret.

Our graduation exercises were held as usual on "St. Johns' Day," we had twenty-one nurses in the Graduating class, I fear that the class of 1909 will be able to boast that they were the last class to have their exercises in the chapel which is so dear to all the graduates, owing to the limited seating capacity, and the yearly growing number of pupils, and interested friends. The Alumnae association, again gave the reception and if possible, it was even a greater success than last year.

Several of our nurses have accepted institutional positions in the past year, amongst others:

Miss Nina Gates, '07.....Surgical Nurse, Chicago Polyclinic Hospital.

Miss Jessie Bradley, '08....Infirmary Nurse, Kamahamaha School for Boys, Honolulu.

Miss Eva Mack, '97.....Instructress, St. Luke's Training School, Chicago.

Miss Ella Stewart, '98.....Directress, Christ's Hospital, Topeka, Kansas.

Miss B. McNight, '05.....Directress, Cotton Belt Hospital, Texarkana.

Miss C. McLennan, '95.....Directress, Meadville City Hospital, Meadville, Pa.

Miss Madeline Smith, '05...Head Nurse, Trudeau Sanitarium, Trudeau, N. Y.

Miss Helen Laurence, '06...Assistant Housekeeper, St. Luke's Hospital, Chicago.

It is with regret that we were unable to fill many very desirable positions, owing to the lack of graduates desiring institutional work. This lack I think is due to the nurses being kept so busy on private duty.

Respectfully submitted,

MARGARET E. JOHNSTONE, R. N.

Directress of Nurses.

...RULES...

AS TO ROOMS, BEDS AND ENDOWMENTS,

**SUBJECT TO THE RULES GOVERNING THE
ADMISSION OF PATIENTS TO THE HOSPITAL**

1. A donation of \$10,000 endows a private room in perpetuity, and the endower shall have the privilege of naming the room.

2. A donation of \$5,000 endows a bed in an open ward in perpetuity.

3. A donation of \$300 supports a bed in an open ward for one year.

4. A donation of \$3,000 endows a bed in an open ward during the life-time of the donor.

5. Any room not endowed may be granted by the Trustees to the endower of a bed during his life-time, and he may, during that period, enjoy all the privileges accruing in perpetuity from the endowment of the room, in addition to the perpetual privileges accruing from the endowment of a bed. An additional endowment of \$5,000, at any time, shall endow said room in perpetuity.

6. Any room, not endowed and not granted as provided in Section 4, may be granted by the Trustees, to the supporter of a bed, and he may, during the year in which he supports the bed, enjoy the privileges accruing in perpetuity from the endowment of a room, subject to termination at the close of any year.

7. No ward, or other division of the Hospital, shall be named without action of the Trustees.

Note.—The endowment of a bed entitles the endower to nominate one patient at a time to an open ward bed free of charge at any time when there is such a bed vacant, and, if all the beds are filled, to the preference over other applicants when a bed becomes vacant.

If an endower desires any service from the Hospital in excess of that furnished the open wards, a bill will be rendered at current rates, and the current ward charge, which is at present \$8.00 per week, will be credited to the endower on the bill.

The endower of a bed in perpetuity has the right to name a successor, which right to name a successor shall belong to each successor. If an endower or his successor fails to name a successor it will be deemed to lodge the right in the Trustees of the Hospital, who will thereafter exercise the right of nomination to the endowed bed.

**THE PERSONS NOMINATED TO FREE BEDS SHOULD BE
WORTHY SUBJECTS FOR SUCH CHARITY.**

REPORT OF THE CHAPLAIN.

To the Board of Trustees of St. Luke's Hospital:

GENTLEMEN: With heart full of gratitude and a sense of keen satisfaction, I complete the tenth year of my services as Chaplain of St. Luke's Hospital.

Exceedingly grateful am I for the uniform consideration shown me and assistance rendered by the officers, the attending men, the internes and nurses which have contributed as materially to the success of my work.

Much satisfaction comes through the maintenance of devotional services for those in training and the realization that many at least are thus led to look upon their chosen life work as a vocation and not a mere profession.

Called of God to their daily tasks, their ministrations will be of a character hardly to be rendered by persons lacking the divine impulse.

And yet, perhaps, a greater satisfaction comes from the realization that many a life is saved through prayer and other spiritual aids when even the physician despairs, or the patient would be otherwise in a hopeless mood; that often the skill of the physician is effectively supplemented, that very frequently the agony of suffering is tempered by our priestly offices.

The influence upon the lives of the ever increasing number ministered unto, the extent of which is known only to our omniscient God, though not wholly unknown to us, brings further satisfaction.

Ten years of service brings thus a priceless reward and moves one to deep gratitude.

During the past year, the Chapel services have been maintained as usual. Bedside services have been conducted as convenient opportunity offered.

As Chaplain I have officiated at eight baptisms, one marriage, and ten burials.

Our thanks are due to many of St. Luke's friends for reading matter much of it in bound volumes. Indeed so large has been the contribution of books, that there is now pressing need for additional cases.

Generous contributions provided for a very "Merry Christmas" throughout the Hospital last Christmas-tide.

Grateful to God for the privilege of the past ten years of happy service, we turn to the future with light heart and bright anticipations.

Respectfully submitted,

GEORGE DEMING WRIGHT.

LIST OF BEDS SUPPORTED.

The following is a list of beds supported in St. Luke's Hospital during the past year, by the payment of \$300 each:

NAME OF BED.	BY WHOM SUPPORTED.
Ellen G. Ryerson Bed.....	Estate of Joseph Turner Ryerson.
Anna Frances Brega Bed.....	Mrs. Charles W. Brega.
Anna Jones Hubbard Bed.....	E. K. Hubbard.
Hibbard, Spencer, Bartlett & Co.	
Bed	Hibbard, Spencer, Bartlett & Co.
Dr. James DeKoven Bed.....	Mrs. John DeKoven.
Marshall Field Bed.....	Marshall Field & Co.
William B. Ogden Bed.....	Mrs. W. F. Whitehouse.
Frances Ogden Sheldon Bed.....	E. B. Sheldon.
Chauncey B. Blair Bed.....	Watson F. Blair.

THROUGH THE WOMAN'S BOARD

The Leslie Carter Bed.
 The Margaret Carter Bed.
 The St. Elizabeth's Bed.
 The St. Helen's Bed.
 The Margaret Earling Bed.

ENDOWED BEDS AND ROOMS.

THE CHURCHMAN COT FOR CHILDREN, 1879.—This endowment was collected by the "Churchman".....	\$ 4,000
THE MINNIE MEMORIAL FOR CHILDREN, 1879.—In the memory of the first child who died in the Hospital, Minnie Blick-ion. The money was collected by Mrs. Douthitt.....	4,000
THE BED FOR INCURABLES, 1889.—This endowment was collected by Miss Olive Lay.....	3,000
THE SEWING WOMAN'S BED, 1881.—This endowment was collected by Mrs. N. K. Fairbank.....	3,500
THE COT FOR CRIPPLED CHILDREN, 1885.—This endowment was collected by Mrs. Abram Williams.....	4,000
THE BALDWIN BED, 1881.—Endowed by Mrs. M. C. Baldwin of Lowell, Mass., in memory of her husband.....	4,000
THE ILLINOIS CENTRAL BED, 1882.—Endowed by the Illinois Central Railroad Company, for the benefit of its work-ingmen, by the payment of.....	6,000
THE MARGARET STEARNS HARRISON BED FOR INCURABLES.—Endowed by Hon. Carter Harrison, in memory of his wife, who died April 30, 1887.....	4,000
THE PECK BEDS.—These are three beds for women. Endowed by the legacy from Mrs. Clarissa C. Peck, of Chicago who died December 22, 1884.....	15,000
THE HEYDOCK BED, 1887.—In memory of Dr. M. O. Heydock, for many years a faithful physician in the Hospital, who died April 17, 1891.—Endowed by a legacy from Mrs. Helen H. DeKoven, who died March 24, 1886.....	5,000
THE ARMOUR & Co. BED.—Endowed by Armour & Co., in 1888	5,000
THE HAMILTON BED.—Endowed by Mr. I. K. Hamilton in memory of his wife, October 11, 1888.....	5,000
THE LARNED BED.—Endowed by family of E. C. Larned, 1886.	4,000

Free and Part Pay Patients

The Hospital will, when there are vacant beds in the open wards, receive patients whose means are very limited for any sum which they may be able to pay, and those without means as wholly free patients, provided they are admissible under the rule governing the admission of patients.

Applications of the admission of patients, who are unable to apply in person, must be made prior to sending them, and should be made between the hours of nine A. M. and five P. M. All promises of admission are made subject to the result of an examination, as to admissibility, on their arrival at the Hospital.

Persons making application on behalf of others should be able to furnish concise information on the following points:

The nature of the disease or injury.

The duration of the disease or the date of the injury.

Present condition of the patient.

What treatment if any has been received?

Is the patient able to pay the full rate, or pay in part, or is he or she a proper subject for admission as a free patient?

Patients will in the usual course be received only between the hours of nine A. M. and five P. M., but emergency cases will be received at any hour.

In the Dispensary, which is open for the treatment of patients from nine A. M. to five P. M., emergency cases will always be treated, but in the usual course only those who are unable to pay for treatment privately will be treated.

EXTRACT FROM THE RULES

“The Hospital is for the treatment of acute, curable, non-contagious diseases and injuries. The following are inadmissible: Sufferers from contagious, dangerously infectious, or incurable diseases, cancers of an incurable and offensive nature, drug habits, delirium tremens, insanity, venereal diseases, phthisis and persons whose presence in the wards would be prejudicial to the welfare of the other patients.”

“Patients who refuse to accept the treatment prescribed by the Medical Staff, or refuse to comply with the reasonable instructions of the physicians or nurses, or who wilfully violate the rules of the Hospital will be discharged.”

REPORT OF THE PRESIDENT

I present herewith my annual report of the Woman's Board of St. Luke's Hospital.

The accompanying reports show the work accomplished by the Board exceeds that of any previous year.

I wish to thank the officers, members of the Board, and all who have kindly assisted in making this possible.

Respectfully submitted,
ALICE V. COCHRAN,
President.

REPORT OF THE COMMITTEE ON LINEN

The past year has been a very gratifying one for the Committee on Linen.

With the help of the Guilds Societies and Branches of the Woman's Auxiliary, we have given the Hospital 10,972 new and besides many second hand articles and have received and disbursed \$1,652.82.

Respectfully submitted,

JESSIE SPALDING WALKER,
Chairman.

ANY PERSON DESIRING TO BEQUEATH A LEGACY TO THIS CHARITY, IS
REQUESTED TO DO IT IN THE FOLLOWING MANNER, VIZ:—

Form of Devise of Real Estate

I give and devise to St. LUKE'S HOSPITAL, of Chicago, a corporation existing under the laws of the State of Illinois, for its corporate purposes, all that, etc.

(Here describe the property)

.....
.....
.....

Form of Bequest

I give and bequeath to St. LUKE'S HOSPITAL, of Chicago, a corporation existing under the laws of the State of Illinois, or to the Treasurer thereof for the time being, for its corporate purposes the sum of

..... Dollars.

REPORT OF THE EMERGENCY COMMITTEE

The Chairman wishes to thank those who have so generously contributed to the work of the Committee. The money in the treasury is being accumulated to defray the expense of a considerable improvement in the free part of the Hospital this coming year, an expense which that institution could not afford on its own account and one extremely important to the Hospital.

1 Turkey.

...Private Rooms...

The private rooms of the Hospital are maintained for the benefit of those who desire superior accommodations and are able to pay the Hospital charges in full.

The reputable and otherwise acceptable physicians of the city are invited to treat their patients in the private rooms. They will have at their disposal all the facilities of the institution.

RATES:

Rooms (2 and 3 beds), \$12 to \$14 each bed per week. Single rooms \$16 and upward per week. Special Nurse, undergraduate, \$15 per week. Special Nurse, graduate, \$25 per week.

Rates are the same whether the patient be a child or an adult.

The rates named include room, board, ordinary medicines and dressings, the services of the nurse of the ward, and of the House Staff. All fractions of a day will be charged for as a day.

An extra charge will be made for examinations made in the Pathological Laboratory, for the use of the operating room, for the services of special nurses when they are required, either by order of the Attending Physician or Surgeon, or to meet the demands of the patient, and for all extraordinary articles of diet, wines, medicines, apparatus, dressings, etc.

Friends of patients will be accommodated with room and board (the regular bill of fare only) when conditions will permit. The rate for any room will be the same as though occupied by a patient.

Personal clothing will not be furnished patients, nor will patients' clothing be laundered.

The Hospital will not be responsible for money or valuables unless they are deposited in the office for safe keeping.

Visitors will be admitted between the hours of 10 A. M. and 9 P. M., unless their presence is deemed prejudicial to the welfare of the patient.

Complaints should be made directly to the Superintendent.

All bills are payable strictly in advance.

...Open Wards...

The maximum rate is \$8 per week. In cases where the circumstances warrant it a reduction is made, and a certain proportion are admitted free.

AS TO FEES:

Pay patients should make their own arrangements as to fees with the members of the Medical Board by whom they are treated.

"No member of the Attending Staff will make any charge for professional services for attendance upon any patient who does not pay in full the Hospital charge for board, room and nursing; where the patient is nominated by the endower of a bed or room, but is nevertheless able to pay for the services of the physician or surgeon in charge, physicians' or surgeons' fees may be charged, if in the discretion of the Hospital authorities it is thought just and proper.

"The services of the Attending Staff are gratuitous to all patients who, in the judgment of the Hospital authorities, are unable to pay for the same.

"No officer, interne, nurse or servant is allowed to receive any fee or gift from a patient without the formal permission of the Board of Trustees."
